

Eco News for June

1) Please pray for the World affected by climate change.

We are in a time of climate crisis. As a result, more people are going hungry, extreme weather events are more frequent and severe, and communities are being displaced. People are being pushed back into poverty and the damage to creation is accelerating. The poorest nations, countries such as South Sudan, Chad and Bangladesh, are always the most affected.

'In Christ we, though many, form one body, and each member belongs to all the others.' Romans 12: 5.

Tear Fund's Prayer Diary is a great resource that provides information and prayer points for their projects around the World.

You can subscribe (no charge) to receive a printed booklet 4 x / year <https://www.tearfund.org/forms/tear-times> or to receive weekly emails—

Tear Fund also provides guidance on praying with children about World poverty and climate change - <https://www.tearfund.org/get-involved/pray/prayer-resources/family-resources/how-to-pray-with-children-about-poverty>

2) Please pray for events being organised by the St Andrew's Eco Church team this term.

Wednesday **11 June**—St Andrew's Histon Eco Church will be screening the award-winning film **Pure Clean Water** at the St Andrew's Centre.

This documentary explores the question "Is the Cambridge growth phenomenon about to be derailed by a shortage of water?"

Helpers required please, to set out tables and chairs, welcome visitors and generally help on the evening. Contact Sue Free

13 July—New Event—**St Andrew's Churchyard Nature Party** 2.30pm to 4.30pm. This will be an event for everyone older and young. The event will aim to ignite your curiosity, care and contemplation caring for God's creation in the churchyard. There will be activities both energetic and more static, and of course refreshments.
